Reminders:

The feast of The Assumption of the Blessed Virgin Mary is Saturday, August 15th. It is NOT a holy day of obligation this year. However, there is a Mass at 12:00pm. All are encouraged to attend.

I will be completing the September/October EMHC schedule during the first week of August. Please let me know, via email or phone, if you have conflicts during any of those weekends. This may help you in alleviating the need to find a substitute.

Thank you for your commitment to our ministry during these stressful times. The parishioners appreciate your dedication. Also, we have no date when we will resume distributing Precious Blood at Masses; or when we will resume visitations at the care and nursing homes on Sunday mornings.
