Reminders:

As you will notice, there are only three (3) EMHCs scheduled at each weekend Mass. Fr. Matt, or the presider, will continue to give Holy Communion to the servers and music ministry. This eliminates the need for the 4th EMHC. If circumstances change, I will be in contact with you to make the necessary changes to the schedule as directed by Fr. Matt. All EMHCs have at least one assignment during this 2-month period.

I will be completing the November-December EMHC schedule during the last week of September. If you know of weekend dates when you will not be available, please let me know via email or phone. Thanks, Ed Flegel
