Reminders:

I will be completing the July/August EMHC schedule during the first week of June. Please send me any dates when you will not be available to minister as an EMHC before the last week of May. You can also identify those dates on the Ministry Scheduler under "Can't serve" in your profile.

We are still looking to having more EMHCs distribute the Precious Blood at weekend Masses. If you are ready to return to this aspect of our ministry, as we all did prior to the pandemic, please contact either Fr. Matt or me. We ask for your prayerful consideration.

Thank you for all your efforts to make the Holy Week services so meaningful to all our parishioners and guests. Your dedication to the Holy Eucharist was on display to all who attended.

With warm weather around the corner, please do not forget our dress code for weekend Masses. We are representing our church, its staff, and ourselves when we distribute the Holy Eucharist.

Wishing you a safe and relaxing summer! Thank you for all you do to make SJB a vibrant parish.

Ed Flegel
