

ADVENT GIVING TREE - This Advent Season we are once again ready for your generosity to pour forth as we collect gifts for the children at St. Martin DePorres Family Center, gift cards for the children at St. Michael's Church on Scranton as well as donations for flowers for the homebound residents and area nursing facilities.

You are asked to select and cut out one or two gift tags found in today's bulletin and in the bulletins through November 30/December 1. There are gift tags representing money for flowers, gift cards for Walmart and Subway as well as a candy cane indicating a gift for a boy (green) or girl (red). Please indicate on the candy cane girl/boy gift tag what the gift is along with the intended age of the child. If clothing, please indicate the size. **Deadline for dropping off wrapped gifts & gift cards in the Church or at the Parish Office is Sunday, December 8th** in order that these agencies may have sufficient time to get our gifts to the children before Christmas!
