HABITS FOR HOLINESS: SMALL STEPS FOR MAKING BIG SPIRITUAL PROGRESS

After learning more about several Saints at our Spring Café Series, let's go on a journey with author, Fr. Mark-Mary Ames, CFR, as we read and study his book, "Habits for Holiness", where Fr. Mark-Mary will help us take steps toward a more saintly life.

Little by little, we can all get to heaven. While reading the book **HABITS FOR HOLINESS** learn to:

- Create a Catholic culture in the family
- Make prayer the center of your life
- Find the contentment needed for deep joy
- Listen to others and be pulled into the mystery of Christ
- Foster growth through recreation
- Turn the drudgery of work into the "altar of the desk"
- And so much more!

Hosted by the Spiritual Development Committee
