

THE LIVING ROSARY SEEK MARY'S INTERCESSION

As a parish, let us all join together on Sunday, August 10th in anticipation of the Feast of the Assumption, commemorating our Blessed Mother being taken into Heaven. All parishioners and your invited guests are asked to join us at 12PM immediately following the 11AM Mass for a "Living Rosary" in the Church, near the statue of our Blessed Mother. We look forward to our congregation coming together for this special community prayer where people become the beads of the rosary and we take turns leading the prayers.
