Please note:

Because Fr. Workman is assisting with weekend Masses at our cluster parishes; and in October, both Fr. Matt and Fr. Workman will be away from the parish for extended periods of time, I have scheduled a 5th EMHC for those Masses which will be affected. If you have a "T" after your name, this indicates that, after the Lord's Prayer, you will retrieve the ciborium from the tabernacle in the chapel and bring it to the altar. After distribution, you will return the ciborium to the tabernacle. You can leave the key in the tabernacle lock and return to your pew. Some of you have been doing this for the past month or so; others have not. So, please observe how it is done. If you have any questions, please see Frs. Matt or Workman, or contact me. Thanks for your cooperation.

I will be completing the November/December EMHC schedule of assignments during the first week of October. This will include Thanksgiving, the Immaculate Conception of the Blessed Virgin, and Christmas (All Saints' Day is not a Holyday Day of Obligation this year). Please send me, or post on MSP, any dates when you will not be available to serve as an EMHC.

Please welcome our newest member to our ministry: Kelly Senior. She will begin serving in October.

A reminder from Fr. Matt and the Mass Coordinators: Please sign in prior to Mass and select your distribution location. This helps eliminate stress and confusion prior to the beginning of the Liturgy.

God bless; and thank you for your love and devotion of the Holy Eucharist.
Ed Flegel
